Mark Kiefer, Computer Science Student

519 709-4694, mkiefer@uwo.ca, mark-kiefer.github.io

SUMMARY	Throughout my academic journey, I have gained hands-on experience with software development, working with languages like JavaScript, Python, Java, and C. Beyond my technical expertise, my leadership role as a summer camp head counsellor has honed my communication, teamwork, and problem-solving skills. Managing a team and navigating diverse challenges has equipped me to thrive in collaborative environments, making me an adaptable and effective contributor to any software development team.

WORK EXPERIENCE

Jun 2023 – Aug 2024	**Head/Camp Counsellor, Bit-By-Bit Summer Camp**	London

- Supervised a group of 35 to 40 campers, ages 8 to 13
- Responsible for organizing a daily schedule and ensuring smooth transitions between activities
- Designed and executed engaging lessons about programming
- Fostered a positive and inclusive camp environment by promoting respect, cooperation, and conflict resolution among campers.

May 2022 – Sep 2022	**General Labourer, Dashwood Industries Inc**	Strathroy

- Worked in a safe manner to ensure quality and timely assembly of products
- Followed all safe work practices, policies, PPE compliances, and WHMIS
- Operated manufacturing equipment and hand tools as required
- Had to be flexible and adaptable to work in various areas of the production floor

Jul 2019 – Aug 2021	**General Labourer, LCP Farms**	Mount Brydges

- Worked on a packaging line cleaning and grading watermelons
- Safe packing of watermelons for shipment
